SHASHWAT SHETI VIKAS PRATISHTHAN

SSVP-Steps Towards Sustainable Agriculture

ABOUT US

Established in 2006, **SHASHWAT SHETI VIKAS PRATISHTHAN (SSVP)** is a Non-Government, not-for-profit organization. SSVP is actively engaged in agriculture and rural development at pan India level. We work for enhancing livelihood opportunities for the rural poor through interventions in sustainable agriculture, skills and entrepreneurship development and women empowerment. Through our targeted interventions for economic and environmental sustainability through farmer aggregation, knowledge empowerment and market linkages, we contribute towards food security and rural economic development.

We are closely working with various stakeholders including Government Departments, Corporates, NGOs & Professionals.

OUR MISSION

To accelerate the world's transition towards sustainable Agriculture.

OUR VISION

Empowering the society by establishing network of training, and development intervention centres in the area of agriculture and rural development.

ENTREPRENEURSHIP DEVELOPMENT

SSVP is recognized as a Nodal Training Institute by Ministry of Agriculture & Farmers Welfare, Govt. of India for implementing 'Agri Clinics & Agri Business Centre Scheme' in the state of Maharashtra, Gujrat & Rajasthan. The scheme is also supported by MANAGE, Hyderabad & NABARD.

The scheme aims at tapping the expertise available in the large pool of Agriculture Graduates & to provide through them professional extension services to innumerable farmers.

Under this scheme, we are providing two months residential training program on entrepreneurship development to agriculture graduates. Since year 2014, we have trained 2500 participants & succeeded in facilitating 55% of them to establish start-up ventures in the field of Agriculture, Horticulture, Sericulture, Veterinary, Forestry, Dairy, Poultry Farming and Fisheries, etc.

“For Success in Business, Entrepreneur requires Training, Discipline & Hardwork”

SUSTAINABLE AGRICULTURE

SSVP's aim under Sustainable Agriculture Program is to encourage, educate, and provide support to farmers for sustainable practices of farming. Through workshops, we bring together farmers, academics, government officials, and other passionate individuals to strengthen sustainable farming.

“Sustainable Agriculture isn't an option but it's a necessary”

SKILL DEVELOPMENT

Livelihood Enhancement through Skill Development

SSVP is imparting skill development training to farmers, rural youths & farm women in agriculture & allied sectors.

With the increase in Indian population, there is increase in demand for food and agri produce but the supply is constant due to low agricultural productivity. There is requirement for specific set of skills in the field of agriculture.

Agriculture sector need trained labour force in many areas like production procedures and practices, post-harvest management, value addition and food processing. As per government focus on Doubling Farmers Income, the skill development of farmers and rural youth is of paramount importance particularly in the field of horticulture, seed production, marketing, cold chain, fisheries, livestock production etc .

“Skill Development Training Empowers People To Realize Their Dreams & Improve Their Lives ”

WOMEN EMPOWERMENT

Corporate social responsibility (CSR) is one of the most prominent concepts through which organizations have scope for ensuring a development in the status of women in India through women empowerment. SSVP is providing skill training, vocational education and entrepreneurship development to farm women. There is need for more training and education of rural women in improving their entrepreneurial activities.

“The fastest way to change the society is to empower the women of the world”
